By signing this application, I acknowledge my understanding of the following:

- This application will secure your ability to order an AEV J8 MILSPEC chassis. When AEV has enough applications to fulfill a production run, you will be contacted to finalize your order.
- At that point in time, you will be provided a written invoice detailing your order, a contract, and a \$10,000 deposit will be due. Failure to submit your deposit within 10 days may cause you to forfeit your place in line.
- From the time of order, estimated delivery time is 6 months.
- The AEV J8 MILSPEC will ship as a rolling chassis only. Customer is responsible for sourcing the powertrain and contracting the installation, which can be done through an authorized AEV dealer.
